# EXTRA! EXTRA! VINTAGE BY THE SEA

REACHES OUT TO MORECAMBE'S  
CARE HOME RESIDENTS

The bits of Vintage by the Sea you don't see...

For the last 3 years we've taken Vintage by the Sea into local care homes bringing specially devised touches of the vintage programme to residents who don't have access to attend the festival.

Support from our funders has allowed us to work with artist-practitioners La Petite Mort, who specialise in creative ways of working with people living with dementia and Parkinson's disease, increasing the accessibility of our arts programme. This year we are bringing music, movement and dance to residential homes, encouraging community, connection and memory-making."
